OIL & GAS AFRICA 2012 - THE SPEAKERS

Some of the Top Speakers who will be presenting at OIL & GAS AFRICA 2010

Mr Steve Hrabar

started his career in 1970 as site engineer with Roberts Construction, was appointed a Director and Managing Director of companies within the Murray & Roberts Group and finally Director of Murray & Roberts Engineering Solutions Limited in 2001. He completed a Senior Executive Course at the Manchester Business School (UK) in 1988. Steve was responsible for the design, procurement and construction of South Africa's first offshore gas platform in Mossel Bay, the design and implementation of an Offshore Fabrication Facility in Saldanha Bay and the development of the SA Oil & Gas Alliance of which he is the Chairman.

Mr Adi Karev

He is the Global Leader of the Oil & Gas Practice for Deloitte Touche Tohmatsu Limited, as well as the National Oil & Gas Leader for China. In this capacity, he is responsible for the development of Deloitte's Oil & Gas practice across the various service areas around the world. Mr. Karev advises clients on global acquisitions and operational management challenges across the economic and geopolitical spectrum. His advisory experience includes many years in Asia as well as multi-country advisory work to multinational energy clients both investor and nationally owned or directed. Prior to his deployment to China, Mr. Karev served as lead client service partner to ExxonMobil.

Anton Botes

He is a senior director within the Deloitte practice. He has a strong focus on and track record in strategy and operations consulting. He is an experienced Project Director and Manager who has successfully concluded a number of complex, multi-disciplinary and multi-year assignments for major Southern African companies. Although Anton has consulted to clients on various aspects of policy, strategy and operations in a variety of Industries, he has focused on the Energy Industry (power, oil and gas) since 1999. He acted as Lead Client Service Director for Eskom from 1999 2002 and subsequently from 2002 to present, is the Global Lead Client Service Director for the Sasol Group, as well as the Southern African Client Service Director for PetroSA.

Nick de Blocq

Nick is the Business Development Manager of Schlumberger Oilfield Services for the EAR Geomark, covering Southern and Eastern Africa based in Cape Town. He has been in the Oil and Gas industry for over 23 years. Prior to his current role he held the position of Oilfield Services GM in Southern Africa. He began his oilfield career in Well Testing and has moved through various positions in Field and Project Engineering, Management and Marketing.

Nick's career has spanned appointments in various countries in Europe, Mediterranean, and North, South, West and East Africa with shorter duration trips to Asia, Australia and the USA.

Mr Paul Runge, Managing Director, Africa Project Access - Conference Director

Africa Project Access is a consultancy that specializes in provision of early alert of projects in southern Africa. Paul also monitors the major funding agencies operating in Africa, such as the World Bank and African Development Bank.
